More than 200 Oklahoma environmental managers, regulators and consultants attended last year's event. As in the past, this year's Annual Meeting is oriented toward providing the regulated community with up-to-date technologies and information relevant to environmental operations. This year's theme is **"2018 – Environmental Regulatory Programs in Uncertain Times!"** You can expect both formal presentations and social gatherings to be informative and exciting.

The Annual Meeting begins with the annual golf tournament at The Canyon, Blackjack Ridge Golf Course in Sand Springs, OK. This includes lunch at 11:30 a.m. and shotgun start at 1:30 p.m. The Annual Meeting begins in earnest on Tuesday, October 16th, with registration and a Continental breakfast at 7:30 a.m. and will feature the presentation of the Frank Condon Award for Environmental Excellence and commemoration of the 25th Anniversary of the ODEQ during the luncheon program.
