Safety

Excellent Safety and Compliance Record

*Recipient of the
Texas Mutual Insurance Safety Award
Top 100 of over 53,000 Insured*

Regulated by State and US EPA Permits -
including a "10,000 Year No Migration Exemption"

**Experienced in Handling Aqueous
Wastes from Varied Industries:**

Chemical
Petroleum Refining
Power Generation
Pesticide

Solutions

Disposal technology that eliminates the need
for costly on-site treatment

Large capacity to handle routine and project
wastes - on average, over 60 million gallons
injected per year

Extensive RCRA code acceptance (D, F, K, P, & U)

Commercial Class I Hazardous Underground Injection

Special Capabilities

Water with D001 -
High Subcategory

Acids/Bases - No
Neutralization Required

Water with D003 -
(cyanides/sulfides)

Sustainability

**Nation's largest commercial
hazardous wastewater
management facility**

Environmental

No Discharges to Water
Very Low Air Emissions
Low Risk Technology
Minimal CO2 Footprint

Social

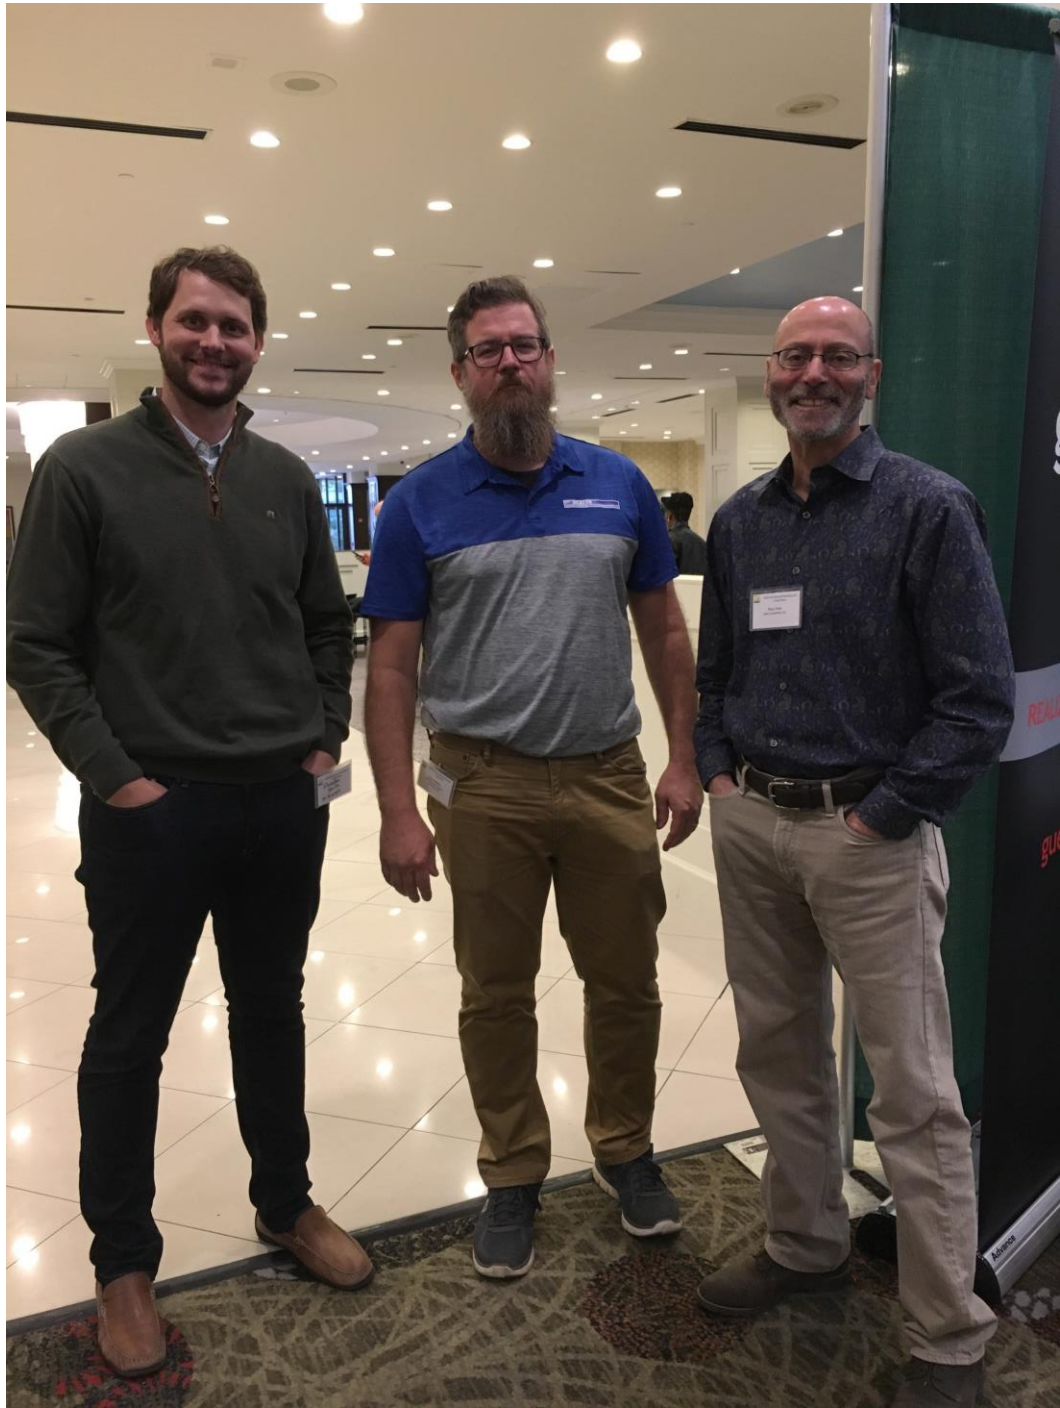

Low Environmental Impact
Responsive to Community -
