

# ENVIRONMENTAL FEDERATION OF OKLAHOMA

## Jody Reinhart

Jody Reinhart began her career with Clean Harbors Environmental Services and currently works for Trinity Consultants as a Business Development Supervisor. Her career has encompassed both the environmental, health and safety fields and the transportation of hazardous materials. Her unique work experiences have allowed her to assist the employers in and in her current role with Trinity Consultants compliance.

In 2018, she became the EFO Membership Director and has helped EFO grow its membership and outreach to all EHS professionals in the State of Oklahoma.

Jody has a Bachelor of Science in Chemistry Education with a Biology minor from Southwestern Oklahoma State University. She has also earned her CSP and CHMM.
