### Summary of Services or Products

A leading engineering, architecture, and consultancy company, Ramboll employs more than 17,000 experts worldwide. We leverage local and global expertise to deliver sustainable, comprehensive, and integrated solutions for our clients in both the public and private sector. Our globally recognized Environment & Health practice has earned a reputation for technical and scientific excellence and innovation. We are trusted by clients to manage their most challenging environmental, health and social issues, and continually strive to achieve inspiring and exacting solutions that make a genuine difference to our clients, the environment and society as a whole. We combine insights with the power to drive positive change to our clients, in the form of ideas that can be realized and implemented.

**We call it: Bright ideas. Sustainable change.**
