Summary of Services or Products

Crowe & Dunlevy, with offices in Oklahoma City, Tulsa, Dallas and Houston, recently celebrated its 120th Anniversary. The firm's longevity is a testament to excellence in the law practice. Crowe & Dunlevy is a full service firm with multiple practice areas. The Energy, Environment and Natural Resources (EENR) practice group is one of the largest and most accomplished in this region of the United States. The firm's EENR group has worked on projects in 41 states and 5 foreign countries and such experience encompasses U.S. EPA Headquarters in Washington, D.C. and all 10 of the U.S. EPA regional offices.
