Summary of Services or Products

Diverse Services. Distinct Benefits.

GFL Environmental is the only major diversified environmental services company in North America offering services in solid waste management and liquid waste management. With strategically located operations across Canada and the United States, GFL is uniquely equipped to provide customers with an extensive range of innovative, integrated environmental services, all from one efficient company. We believe that by providing safe, accessible and cost-effective solutions, we will encourage greater environmental responsibility and allow our customers and the communities we serve to be Green For Life.
