Kendal Stegmann

Mrs. Kendal Stegmann is the Air Quality Division Director for the DEQ. She has been in that role for more than three years. She started her career at DEQ in 1995 as a staff attorney. Most of her work at DEQ has focused on Air Quality issues, though she briefly directed the ECLS division in 2020 after returning to the DEQ from a 4.5-year stint at Devon Energy. Mrs. Stegmann holds B.A. and J.D. degrees from the University of Oklahoma.
