

ENVIRONMENTAL FEDERATION OF OKLAHOMA

Owen Mills

Owen has served as the Director of Water Planning for the Oklahoma Water Resources Board (OWRB) since 2015, responsible for the State's Comprehensive Water Plan. Integral to the Plan, Owen regularly develops, facilitates, and coordinates policy related work groups such as: OK Water Reuse Action Plan, Irrigation Farming, Workforce, Water for 2060 initiative, Instream Flow, and Produced Water.

Nationally, Owen serves on the Board of Directors for the AWRA and Co-Chairs the AWRA Policy Committee. Early work includes

the U.S. Peace Corps in West Africa, and the U.S. Forest Service in Alaska and Idaho. He earned his Bachelor of Science in Natural Resources from Oklahoma State University. Owen's path is shared with wife Kathy, and two children, Luke, 2L at OU Law, and Lucy, Junior at Strathclyde University in Glasgow, UK.
