Summary of Services or Products

Reagan Smith provides environmental, engineering, project management, wildlife, regulatory compliance, resource management and archaeology services.

Reagan Smith was created in 2005 as a response to the emerging need for full-service state Tribal and federal project management consultants. Reagan Smith is a certified Women-owned business based in Oklahoma City that is home-grown with a national presence.

We are experienced in setting goals, timelines and providing deliverables in a timely and efficient manner. Our strengths are troubleshooting, problem solving, streamlined timelines, project management, and team integration. We meet you where you are at in the project and dive in.

Our experienced team is specialized in Archaeology, Engineering, Environmental Science, Forestry, Leasing, Mapping, Rangeland Management, Right of Ways, Title, and Wildlife. We work with you as a partner to streamline your project while protecting environmental, wildlife and cultural resources.
