Summary of Services or Products

Terracon is a 100 percent employee-owned consulting engineering firm providing quality services to clients. Since 1965, Terracon has evolved into a successful multi-discipline firm specializing in environmental, facilities, geotechnical, and materials services. Over our history, Terracon has achieved significant expansion through both internal growth and acquisitions.

Terracon currently has more than 6,000 employees in more than 175 offices, serving all 50 states nationwide. Additionally, we partner with our U.S. clients to serve their international needs. Terracon's growth is due to dedicated employees who are responsive to clients, provide quality services, and take advantage of opportunities in the marketplace.

Terracon serves a diverse portfolio of private and public clients. By being responsive, resourceful, and reliable, we strive to exceed our clients' expectations for service, solutions, quality, and speed of delivery. Based on a deep understanding of our clients' needs, Terracon's commitment is centered on these key objectives.
