### Summary of Services or Products

Energy Transfer is proud to have one of America's largest energy portfolios with assets in 41 states and international offices in Beijing. Our core operations include transportation, storage and terminalling for natural gas, crude oil, NGLs, refined products and liquid natural gas. WE BELIEVE IN DOING WHAT'S RIGHT.

Delivering America's energy safely and responsibly is our highest priority. This is why we strive for honesty and respect in all that we do. The following core values are the driving principles of Energy Transfer.
