Summary of Services or Products

Having more than 140 years of experience, Phillips 66 is well-positioned to help fulfill global energy needs. Phillips 66 is a diversified energy manufacturing and logistics company engaged in refining, transporting, and marketing natural gas liquids (NGL) petrochemicals. They are also active in the research and development of emerging energy sources and partners with Chevron on chemicals through a joint venture known as Chevron Phillips Chemical.

Phillips 66 is ranked No. 29 on the Fortune 500 list and No. 74 on the Fortune Global 500 list as of 2022, with revenues of over \$115 billion USD. Phillips 66 has approximately 14,000 employees worldwide and is active in the United States, United Kingdom, Germany, Austria, and Switzerland, and currently owns and licenses out various service station brands across the country, such as 76 and Conoco within the United States, and JET in Europe.
